Applications

Applications are open all year round, should be no more than one page and include details of the project (What it is for, who is benefitting).

No formal documentation or submission of receipts are required, however a short write up of the event, with a Facebook post and/or photos, must be submitted within one month of completion of the project.

The projects must be of benefit to the local community.

The grants are not recurrent and must be applied for each project.
